

EXCELSIOR INSTITUTE OF TECHNOLOGY & SCIENCE

Department of Computer Applications — MCA Admissions 2026-27

1. Program Overview

The Master of Computer Applications (MCA) is a 2-year full-time postgraduate program accredited by AICTE and affiliated with State Technical University. The program prepares candidates for careers in software engineering, AI/ML, cloud computing, and enterprise application development.

2. Eligibility Criteria

- Passed BCA / Bachelor Degree in Computer Science Engineering or equivalent degree OR passed B.Sc. / B.Com. / B.A. with Mathematics at 10+2 level or at Graduation level.
- Obtained at least **50% marks** (45% in case of candidates belonging to reserved categories SC/ST/OBC) in the qualifying examination.
- Candidates appearing in the final semester examinations are also eligible to apply provisionally.

3. Entrance Examination & Selection Process

Admissions are strictly merit-based determined by the College Entrance Test (CET-2026) or State PG CET/NIMCET scores. Shortlisted candidates will be invited for counseling and document verification.

4. Seat Matrix & Quota Allocation
